

RESPONSIBLE GAMBLING CODE

English

The Star Sydney seeks to achieve excellence in all aspects of its services and operations. As a leading provider of entertainment facilities in NSW, The Star is committed to providing gaming services for guests in a responsible manner. This Responsible Gambling Code of Practice is an important reflection of that commitment.

The vast majority of The Star Sydney guests enjoy their gaming experience. However, a small minority may have difficulty in controlling their gambling behaviour and may encounter serious personal and financial difficulties.

Whilst it is acknowledged that problem gambling may never be completely avoidable, The Star Sydney is committed to providing programs and initiatives to minimise problem gambling behaviours and the provision of timely and effective assistance for guests who seek help.

The Code of Practice will be updated, when appropriate, as the industry and community gain a greater understanding of the causes of problem gambling.

Managing Director
The Star Sydney

OBJECTIVE AND APPLICATION OF THE CODE

1.1 What is the Code?

This Code is an initiative of The Star Sydney. It sets the common standards and requirements for us to follow in the responsible delivery of gambling products and services across our operations.
