ASX Announcement

THE STAR SYDNEY ADDITIONAL GAMING MACHINES

The Star Entertainment Group Limited (ASX code: SGR) (**The Star**) provides an update on its proposal to increase the number of gaming machines permitted to be operated at The Star Sydney.

The Star has been advised by the NSW Government that it does not consider it appropriate at this time to move forward with The Star's proposal. This is in light of a period of significant change for the casino sector as a whole following the Bergin Inquiry, the Bell Review and proposed changes to the NSW *Casino Control Act 1992* which pertain to the establishment of a new regulator and various reforms to regulatory controls.
