## WELCOME TO OUR NEW CHIEF LEGAL OFFICER, BETTY IVANOFF

Hi team

I'm excited to announce that we have appointed **Betty Ivanoff to the role of Chief Legal Officer** at The Star.

Betty's appointment is another important step in making The Star safer and stronger while earning back the trust and confidence of our team, guests, communities and regulators.

Betty is an accomplished lawyer and executive with more than 20 years' experience in ASX listed companies and international organisations.

Her most recent role, as Group General Counsel with Crown Resorts, means Betty has first-hand experience with transformative initiatives and programs.

Before joining Crown Resorts, Betty was Group Director – Legal & Corporate Affairs for Coca-Cola Amatil Limited from 2016, leading the legal, governance and corporate affairs teams.

Betty will commence her new role in May 2023, pending regulatory approval.

Please join me in warmly welcoming Betty to our team.

Regards

Robbie
